

Woven Heart Basket

Supplies:

2 different colored fat eights of fabric or one long quarter yard piece of fabric that is graded in several different colors

Wonderunder © fusible web

Rotary cutter, ruler and mat

Pencil or chalk marker

Masking tape

Optional:

Beads, buttons and charms

Directions:

- Fuse two different fabrics together to form one piece of fabric that is 20" x 9"
- Cut out on the bias four rectangles that are 2 ½" wide x 8" long
- Using the template cut out half circles at the end of each rectangle
- Cut three slits in each rectangle that are 5/8" wide by 6" long in the center of the rectangle – refer to template.
- Fold each rectangle in half so the round ends meet and press with a hot iron to crease
- Weave two different colored rectangles together to form heart baskets.
- Cut on the bias a 5/8" wide x 8" long handle to add to the top of the basket
