2. Selling at the guild and in the classroom:

Teacher reserves the right to sell her hand dyed fabrics, fabric kits, patterns, books and other quilting items in her classroom. Many of my workshops are based on the fusing of hand dyed fabrics utilizing fabric kits. Along with the fabric kits, I bring a small selection of other hand dyed fabrics, including hand dyed silk, which the students may choose to also use in their class projects. The specific gradation patterns of my hand dyed fabrics makes their use and the use of my fabric kits an easier and more successful experience for the student. For this reason, I feel it is in the best interest of the student to provide the hand dyed fabric and fabric kits in the classroom.
